Rick -
Since you are leading this effort, can you respond to Lisa? I met her at the Pebble Keystone meeting. Iliamna was quite insulted that Lisa J did not meet with them during her visit to Alaska and she is still seeking a meeting with Lisa. Looks like she wants to meet with us in Seattle as well. I recommend we meet with her and others (she likely will have a group with her).
thanks -
Patty

There is a group of us that would like to make a visit to Seattle to talk with the agency. Our goal is still to get a meeting with Lisa Jackson.
